## CHITALDRUG DIVISION.

Notification, dated 24th July 1944.

## SALE OF FUEL TREES.

It is hereby notified for general information that the right to prepare charcoal out of kamara and other trees marked for felling and to remove the same from the undermentioned\* coupes of the State Forests and District Forests of this district will be sold in public auction by the District Forest Officer or any other officer deputed by him on Saturday the 12th August 1944, at the District Forest Office, Chitaldrug, subject to the following conditions.

The sale commences at 2 P.M. and is subject to confirmation by the District Forest Officer or the Conservator of Forests, as the case may be.

2. Each bidder shall, before he is permitted to bid, be required to deposit a sum of Rs. 50 (rupees fifty) only as earnest money with the officer conducting the sale. The deposit will be returnable to him at the close of the sale if his bid is not accepted. The person whose bid is accepted shall immediately, after the close of the sale, pay 25 per cent of the bid amount less deposit already paid, with Local, Railway, and Education Cesses on the full sale amount, failing which the right will be resold or worked departmentally at the risk of the defaulting bidder. He will be liable for the loss, if any, that may result by such resale or departmental working which will be recoverable from him as arrears of land revenue but he shall not participate in any gain.

\*For detailed conditions, please see notification published on pages 2674 and 2675, Part VI of the *Mysore Gazette*, dated 13th November 1941. Further particulars may be had from the undersigned.

\*3. The transport of fuel and charcoal is prohibited outside the State.

## BANGALORE DIVISION.

## Notice.

Sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, Bangalore, up to 4 P.M. on 18th August 1944 for widening Arkavati Bridge at 7/12 of Selam-Bellary Road, Tumkur side.

The work is to be completed by the end of June 1945 and the monthly progress should not be less than Rs. 3,000.

Tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Bangalore Division, Bangalore, should be addressed to the Executive Engineer, Bangalore Division, Bangalore, in a sealed cover and superscribed as "Tender for widening Arkavati Bridge at 7/12 of Salem-Bellary Road, Tumkur side. The name of the tender should also be superscribed on top of the cover.

Each tender must be accompanied by a duplicate chellan for having credited into the treasury the deposit amount of Rs. 1,300 under "17 (a) P. W. Deposits" or Mysore Government bonds duly endorsed at face value or market value whichever is less as earnest money.

Intending contractors wishing to tender should obtain fuller details as to the terms of the tenders by attending on person at the Office of the Executive Engineer, Bangalore Division, Bangalore. Copies of contract agreement, schedules and drawings may be seen at any time at the Executive Engineer's Office, Bangalore Division, on all working days between 12 NOON and 6 P.M. and may be obtained from that officer on payment of Rs. 5.

B. SINGA IYENGAR,  
Executive Engineer.

823

B. KRISHNA IYENGAR,  
*Executive Engineer.*

## MYSORE DIVISION.

*Notice dated 31st July 1944.*

Sealed tenders are invited for constructing quarters for the officials in Heggadevankote and Periyapatna. They will be received up to 3 P.M. on 22nd August 1944. The quotation may be in terms of percentage either above or below the amount of the estimate.

The buildings proposed to be built are of four classes. A tabular column giving the types of building to be constructed in each place and their relative cost and the earnest money required to be deposited is given below. Plans and estimates may be seen in the office on any working day. The tenders should also contain quotations for alternative roofs, viz., Brick-nogged terrace and R. C. C. roof. The earnest money should be deposited in the treasury under "17 (a) P. W. Deposits" against the account of the Executive Engineer, Mysore Division. The challan for having done so should be enclosed along with the tender.

Contractors intending to take up work in both the places should send in separate tenders for the work in each place.

The final acceptance of the tender rests with the Executive Engineer. He does not bind himself to assign any reason whatsoever for the rejection of any or all the tenders received.
